

Beta Tester Agreement

Last updated: June 11, 2018

Terms

This is a beta test agreement, effective June 8th, 2018, between Linearity GmbH ("company") and you ("tester"), in which tester agrees to test the software Vectornator Pro and keep the company aware of the test results.

Definitions/Summary

- Vectornator Pro beta is prerelease software which might contain errors, that may lead to the device crashing or even cause data loss.
- Your personal information, such as name and email address, will only be used for saving in Apple's TestFlight service for distributing Vectornator Pro beta. Increased security of your personal information is very important to us.
- To unsubscribe from Vectornator Pro's TestFlight beta, please send us an email to beta@vectornator.io.
- The tester shall provide timely feedback to the company about the beta.
- The tester will receive beta software until it the beta program is terminated.

Tester's Obligations

As a tester of Vectornator Pro beta, the tester agrees to provide timely feedback to Linearity GmbH representatives on the progress of the beta test whether or not formally requested to do so. This may include bug reports and written evaluations of new features included in the beta of Vectornator Pro. The tester shall report to Linearity GmbH and send these reports respectively feedback to beta@vectornator.io.

Risks

The tester understands the risks of using Vectornator Pro beta. Risks include, but are not limited to, the device crashing or data loss caused by errors in the software.

Personal Information

We will use the tester's personal information such as name, email address and motivation text which will be sent to us via a contact form on our website or directly via email. The testers name and email address will be added to Apple's TestFlight, where the beta software will be distributed. The tester will also agree to the privacy policy of Apple's TestFlight which can be found in English [here](#) and in any other language [here](#).

Confidentiality

The tester shall not disclose the beta software or any comments regarding the beta software to any third party without the prior written approval of Linearity GmbH. The tester will maintain the confidentiality of the beta software with at least the same degree of care that you use to protect your own confidential and proprietary information, but not less than a reasonable degree of care under the circumstances.

Termination

Either party may terminate tester's participation in the beta test, or this agreement entirely, at any time for any reason upon notice to the other party. To unsubscribe from Apple's TestFlight list please send us an email to beta@vectornator.io and we will remove your name and email address directly from the Apple's TestFlight list.

Furthermore, the rights conferred to the tester under this agreement terminate without notice from Linearity GmbH if the tester fails to comply with any term(s) of this agreement.

Contact Information

If you have any questions about this beta test agreement, or if you want to contact Linearity GmbH for anything else regarding the beta test program, please direct all correspondence to: beta@vectornator.io.
